End Application:

Nha: pump assembly

Product Name:

Power rotor

Pump Design Control Activity:

59180

Pump Model Number For Which Designed:

Clp2ex-118/512

Material:

Steel comp 4150

Material Specification:

Aisi 4150 rs assn standard single material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A515j0
