**End Application:**

Model m punp

**Pressure Rating:**

15.0 pounds per square inch

**Special Features:**

Air draive pressure between 25 and 125 psi

**Material:**

Steel and aluminum

**General Description:**

Displacement/cycle 0.23 cu. In

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23900
