End Application:

Wsd: ohio class ssbn trident; brine overboard pump

Product Name:

Pump, centrifugal

Special Features:

Pump: size 6x4x10 horiz mounted, close coupled; 600 gpm; 80ft. Total head; liquid seawater; 1779 rpm; motor: 20 hp, continuous duty, constant speed, 3 phase, 60hz, 440 volt; 1800 rpm, speed; moisture resistant windings; 50 degrees c ambient temperature; tefc

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A19400
