End Application:

Standard tool and cutter grinder w/ball ways

Product Name:

Pump, centrifugal

Special Features:

Material: pump body and volute, cast iron; shaft, carbon steel; impeller, plastic; 1/8 h.P.; max. Flow: 10 gpm; 3450 rpm; 3/8in. Metric threaded horizontal discharge above integral mounting flange; motor data: 230/460 voltage; 60/50 hertz; 3 phase; motor

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A19400
