End Application:

Pump centrifugal model vcl-45 450 gpm

Product Name:

Automatic condensate removal pump

Special Features:

Valve, globe. Ssr name is pump, condensate. 1/5 hp motor; galvanized steel tank cover; abs tank, volute and switch cover; 1 gallon capacity; stainless steel shaft; snap action switch; safety switch; thermal overload protection 3/8 inch discharge copper tube; ul/csa listed

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

Yes - demil/mli
