**End Application:**

B40 4 in. Self-priming centrifugal pump

**Product Name:**

Seal mechanical 1.75 in.

**General Description:**

Design single mechanical; material rotating faces-carbon, stationary faces-ceramic, elastomer-buna n, hardware-300 series stainless

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A23900
