Product Name:

Vertical multistage centrifugal pumps 60 hz

Special Features:

Type keys - crn, flow rate 5, numbers of reduce diameter impellers 20, pump version a - basic version, pipe connection p- pje coupling, material c- wetted parts a1s1 316, code for rubber prts e- epdm, shaft seal h- balanced cartridge seal with o-ring, q-silicon carbide, e - epdm

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A19400
