Product Name:

Submersible effluent pump

Special Features:

Full load amps maximum 14.0 horsepower 1/2 horse r.P.M 3450 hertz 60operation intermittent discharge size 2" npt (3" opt) unit weight 73 lbs materialcast iron shaft stainless steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A19400
