Mounting Type:

Pad

Bolt Hole Quantity:

4

Drive Shaft Type:

Woodruff keyway

Connection Design:

Threaded

Constant Displacement Per Revolution:

14.9 cubic inches

Product Name:

T series motor eith parking brake

Special Features:

Manifold port; standard seals; black primer

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T103-f
