Media For Which Designed:

Water, waste

Pumping Element Operating Position:

Vertical

Unpackaged Unit Width:

7.7 inches

Unpackaged Unit Height:

23.4 inches

Pump Basic Material:

Aluminum

Features Provided:

Submersible

Product Name:

Pump, submersible 2"

Type/model Designation:

2610

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A19400
