End Application:

Boat, rigid in

Product Name:

Teleflex hh5217 commercial standard seastar 1.7 front mount helm

Special Features:

Specifically designed to be used on smaller fishing vessels involved in the lobster and crabbing industries. The commercial helm pumps are designed with a stainless steel shaft and heavy duty shaft seal and wiper. This new shaft and seal help protect the helm pump from the abrasive effects of sediment that is brought on board by the operator handling traps or pots.

Shelf Life:

N/a
