Maximum Operating Pressure:

2000.0 pounds per square inch

Mounting Type:

Wheel

Portability:

Portable

Operation Method:

Power

Pump Drive Type:

Gasoline engine

Hydraulic Fluid Reservoir:

Included

Reservoir Capacity:

3.0 gallons

Rolling Element Type And Quantity:

1 wheel

Pulling Device:

Handle

Product Name:

Gtr hydraulic power units

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T103-n
