Discharge Pressure:

2000.0 pounds per square inch gage

Pump Rotation Direction:

Clockwise

Product Name:

Gc series hydraulic pump

Special Features:

Oem concentric rockford inc has no cage; code g1108h1a120rpg-0.129 cir relacement pump; 24 vdc

Special Test Features:

0.129 cir replacement pump

Supplementary Features:

Adjustable to 3000psi, mounting hardware included

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
