Pressure Rating:

0.52 bar

Wattage Rating:

0.12 kilowatts

Product Name:

Immersion pump

Special Features:

One-stage rotary pump; semi-open impeller is fixed on the driving shaft extension; pump mechanism is gasket-less; vertically mounted pumps are equipped with a mounting flange; pump end immerses into the tank and motor extends above the tank

Gross Weight:

4.7 shipping container kilograms

Color:

Blue

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
