## NSN 4330-00-732-7992

Fluid Filter - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4330-00-732-7992

Body Length:
2.272 inches

Body Outside Diameter:
0.500 inches

Design Type:
Nonreusable

Filtering Element Quantity:
1

Filtering Media Design:

Material:
Stainless steel filtering medium

Woven single filtering media response

Fsc Application Data:

Actuator, jet engine

,,

Shelf Life:

N/a

**Unit Of Measure:** 

Demilitarization:

No

Fiig:

A24000
