Design Type:

Dry

Inlet Connection Quantity:

1

Muffler Design:

Straight through

Outlet Connection Quantity:

1

Material:

Aluminum alloy, qq-a-250/8, o

Material:

Aluminum alloy 5052

Material Specification:

Qq-a-250/8, o federal specification 1st material response

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T135-c
