End Application:

Navy weapons code th, strategic sealift conversion ships class

Design Type:

Nonreusable

Product Name:

Oil filter

Filtering System For Which Designed:

Full flow

Special Features:

Compressor oil filter for r-22/r134a hermetic centrifugal liquid chiller frame 4-5 19x1003

Media For Which Designed:

Fuel/oil, hydrocarbon

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24000
