**Capacity Rating:**

150.0 gallons per hour

**Bowl Material:**

Aluminum alloy

**Maximum Bowl Speed In Rpm:**

7500.0

**Special Features:**

Spinner ii/model 96se oil cleaning centrifuge for engines; oil inlet and outlet have 0.75-16 unf internal threads saej514-8 o-ring; oil inlet connects to engine at point of highest oil pressure; oil outlet connects to engine crankcase above oil level; air inlet for control mechanism has 0.25" npt internal threads

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

T384-c
