Tempurature Rating:

200.0 degrees fahrenheit

Bodylength:

41.3125 inches

Product Name:

Pressure vessel

Special Features:

Max working pressure: 300 psig; weight: 40 lbs; replacement sleeve no: 0734-7s (4330-01-462-6994); outside distance between flanges: 11.25 in.; 1/4" np (f) drain connection; mattdstb000

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24000
