Overall Diameter:

1.5000 inches

End Application:

Low and high pressure air compressors, air lines, etc.

Special Features:

Aka: air silencer; 1 1/2 npt female; body: aluminum; muffler: bronze

Material:

Aluminum and bronze

Material:

Aluminum and copper alloy

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T135-c
