Overall Length:

3.750 inches

Overall Height:

1.080 inches

Overall Width:

1.800 inches

End Application:

155mm, m198 howitzer

Valve:

Not included

Mounting Bolt Hole:

Not provided

Filter Element:

Not included

Product Name:

Drawing item name: filter, hydraulic

Special Features:

The item is compatible with: nsn 9150-00-935-9807 fluid, petroleum base // nha: 12965265

Material:

Metal

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T384-e
