Mounting Type:

Bracket

Inlet Connection Type:

Threaded

End Application:

B-1 support equipment

Inlet Connection Size:

3/8 in.

Inlet Connection Quantity:

1

Outlet Connection Quantity:

2

Outlet Connection Size:

3/8 in.

Special Features:

With water sensor. With replaceable fuel filter element. 6.250 in. Nom. Width, 4.810 in. Nom. Thick, 13.0 in. Nom. Length. Used on ma-3d air conditioner

Functional Description:

Combined water separator, fuel warmer and fuel filter

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T384-b
