End Application:

3010-01-446-6902

Document Source:

74703

Accessory Controlling Agency:

Lockheed martin aeronatical systems

Product Name:

Element, filter, oil

Functional Description:

Used on engine for c130j hercules acft

Purchase Description Identification:

74703-23061035

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
