Overall Length:

8.8560 inches

Overall Diameter:

2.0000 inches

Filtering Material Design:

Mesh

End Application:

INLE-TF-ILT-ERAS

Err Default:

Err default

Valve:

Not included

Mounting Bolt Hole:

Not provided

Filter Element:

Included

Product Name:

Weldment, element

Special Features:

This part must be certified mercury free when shipped

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T384-e
