Filtering Material Design:

Any acceptable

End Application:

Mk 45, mod 4

Drain Plug:

Not included

Installation Design:

Fixed

Unit Type:

Single

Maximum Operating Pressure:

2500.0 pounds per square inch

Magnet:

Not included

Drain Cock:

Not included

Switch-over Valve:

Included

Filtering Element Quantity:

1

Element Reusability Feature:

Nonreusable

Cleaning Blade:

Not included

Flow Type:

Full

Air-bleed Valve:

Not included

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T384-a
