End Application:

Compressor; wsd seawolf class ssn

Product Name:

Separator assembly - 4th stage

Special Features:

Separator assembly consists of: stud, stainless steel, 2pcs; body, stainless steel, 1pc; plug, stainless steel and cadmium plated, 1pc; cone, stainless steel, 1pc; deflector, stainless steel, 1pc; seat - check valve, stainless steel and cadmium plate, 1pc; seat, check valve must be heat treat to 225-250 bhn

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T384-b
