| Product Name:  |
|--|
| Fuel separator mdl 500map10 (marine turbine series)      |
| Special Features:  |
| 60 gph. Has an in bowl water probe. Micron rating is 10. |
| Media For Which Designed:                                |
| Fuel/oil, hydrocarbon                                    |
| Shelf Life:  |
| N/a  |
| Unit Of Measure:   |
|  |
| Demilitarization:  |
| No   |
