**End Application:**

Boat, area search, 40ft., 40as0401

**Product Name:**

Filter, pressure medium

**Special Features:**

Part number breakdown: lf=filter type, 1500 psi; bn3hc=filter media, betamicron, low collapse, disposable; 30=size; g=connection, threaded; 10=filtration rating in microns, betamicron; b=visual pop-up, clogging indicator; 1=type number; 0=modification number (current model) ; 12=port configuration, 12, sae thread; b6=bypass valve

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fiig:**

A24000
