Overall Length:

1.375 inches

Inlet Connection Type:

Threaded

Overall Diameter:

0.562 inches

Inlet Connection Quantity:

1

Muffler Design:

Straight through

Body Shape:

Tapered

Inlet Location:

Located in end section of body

Inlet Thread Series Designator:

Npt

Special Features:

0.250 in. Npt male connection

Material:

Bronze and steel

Material:

Copper alloy and steel

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T135-c
