Thread Direction:

Right-hand

Maximum Operating Pressure:

414.0 bar

Thread Size:

0.750 inches

Product Name:

High pressure filter

Special Features:

Bypass valve: 3.5 bar; indicator: 2.5 bar; filter connection: thread g 3/4 in; electrical indicator; flange sae 6000: 3/4 in

Material:

Rubber seal

Media For Which Designed:

Liquid food

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24000
