Body Length:

10.45 inches

Filtration Rating In Microns:

5.0 absolute

Maximum Operating Pressure:

5000.0 pounds per square inch

Product Name:

Norman tee type filters

Special Features:

Glass fiber element; 1" sae port size

Material:

Aluminum body

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24000
