## NSN 4330-01-640-8067

Fluid Filter - Page 1 of 1

A24000

View Online at https://aerobasegroup.com/nsn/4330-01-640-8067

Product Name:
Straight in-line filter
Special Features:
Housing: 2024t-351 aluminum; operating pressure: 3000 psig; proof pressure: 4500 psig; burst pressure: 12, 000 psig; element media:
microglass high efficiency disposable 304 s.S. Woven wire welded construction 304I - porous sintered stainless cylindrical
Shelf Life:
N/a
Unit Of Measure:
Demilitarization:
No
Fiig:
