Cross Sectional Shape:

Circular recess

Attachment Method:

Bolted

Fluid Filter Element Retainer:

Not included

Product Name:

Air operated diaphragm pumps husky 1590

Special Features:

120 psi fluid working pressure; 120 psi air input pressure

Material:

Aluminum

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

T384-d
