End Application:

Hydraulic power unit, access stern p/n f-wk-868-85

Special Features:

Filter element with o-ring; media type inorganic glass fiber, micron rating 10, endcap & center tube-zinc plated steel, collapse pressure rating 363 psi, seal material buna-n

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A24000
