Body Style:

Finned, tubular, terminal's at each end

Element Radiation Specification:

Noninfrared

Element Connection Style:

Stud type

Maximum Wattage Rating In Watts:

1500.0 single voltage

Element Quantity:

2

Voltage In Volts And Current Type:

115.0 ac single voltage

Special Features:

Without dust cover: 2.000 in. Npt ends

Material:

Steel sheath

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A01900
