Body Style:

Strip, finned

Overall Length:

15.520 inches

Element Radiation Specification:

Far infrared

Element Connection Style:

Wire lead

Heat Quantity:

3

End Application:

Used on the mars class afs

Element Quantity:

3

Material:

Stainless steel resistance wire

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

A01900
