End Application:

Fuel oil circulation heater

Unit Package Quantity:

4

Component Quantity:

4

Component Document Origin:

Industrial

Document Source:

74924

Document Type:

Parts list

Package Model Number:

350-132752

Product Name:

Heater renewal parts kit

Special Features:

Parts kit consists of: (1) flange heater, 722xu135192; (1) type j process thermocouple, 1010668; (1) type j sheath thermocouple, 1006593; (1) flange gasket 5-150, 1019592

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23800
