Body Style:

Band type/nozzle element

Inside Diameter:

101.6 millimeters

Width:

50.8 millimeters

End Application:

Disinfectant generator model 7060 mark ii

Element Quantity:

1

Product Name:

Element, heater

Special Features:

Band heater. Top drawing number: 7560-g502.

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A01900
