End Application:

Used on riley/beaird model 5-66-2d-bel1

Core Diameter:

4.947 inches

Core Length:

65.125 inches

Tubing Outside Diameter:

0.375 inches

Tube Quantity:

36

Tube Attachment Method:

Welded both ends

Heat Transfer Method:

Direct

Material:

Stainless steel

Material Specification:

Mil-h-17428a military specification all material responses

Style Designator:

Plain "u" tube

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A28500

Mil-std (military Standard):

Mil-h-17428a spec.
