**Material Thickness:**

0.049 inches

**End Application:**

Supply class aoe

**Core Length:**

84.125 inches

**Tube Quantity:**

196

**Heat Transfer Method:**

Indirect

**Criticality Code Justification:**

Feat

**Special Features:**

Weapon system essential; mrc aqrx was aa0.750

**Material:**

Copper alloy

**Style Designator:**

Straight finned tube, cylindrical

**Shelf Life:**

N/a

**Unit Of Measure:**

--

**Demilitarization:**

No

**Fig:**

A28500
