Diameter:

8.375 inches

Length:

22.750 inches

End Application:

Itt standard bcp lube oil cooler, 2 pass

Heat Transfer Method:

Indirect

Height:

8.880 inches

Material:

Copper and nickel alloy

Material Specification:

Mil-c-15730 military specification all material responses

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A28500

Mil-std (military Standard):

Mil-c-15730 spec.
