End Application:

Special aircraft support equipment

Product Name:

Band heater

Special Features:

400 volt, single phase

Height:

1.900 inches

Style Designator:

Cylindrical

Supplementary Features:

Supplied with 10" flexible wire and 1/2" coupling

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A28500
