End Application:

Demineralized water cooler, no. 06045 navy bcp

End Item Source:

51900

Diameter:

9.500 inches

Height:

8.500 inches

Product Name:

Bonnet, sta. End

Special Features:

1.500 - 250 lbs. Per mil-f-20042 outlet; 1.500 - 250 lbs. Mil-f-20042 inlet; in/out dished head

Material:

Copper alloy

Material Specification:

A astm b584 assn standard single material response

Style Designator:

Double flange

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A28500
