End Application:

Wsd: nimitz class cvn

Tube Quantity:

43

Heat Transfer Method:

Indirect

Product Name:

Industrial cooler

Special Features:

Design pressure 600psig; hydro test pressure 750psig

Material:

Copper alloy tubes and nickel alloy tubes

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A28500
