Overall Height:

14.750 inches

Overall Width:

19.500 inches

Circulation Method:

Natural

Work Protection From Heat Source:

Complete

Voltage In Volts:

230.0

Special Features:

Length 71 in.; 1/2 to 6 in. Pvc heater, motorized pvc rotation; on/off switch; steel covers; calrod heating element; 2-wheels; support/lifting handle

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T242-b
