Accessory Components And Quantity:

1 air filter, 1 air storage reservoir, 1 check valve, 1 compressor pressure switch, 1 control panel, 1 cycle timer, 1 desiccant towers, 1 double check valve, 1 flow valve, 1 four way solenoid valve, 1 humistat humidity controller, 1 major compressor, 1 manifold assembly, 1 pressure relief valve, 1 pressure switch, 1 sensing element, 1 terminal board

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No
