Overall Height:

14.000 inches

Overall Width:

6.000 inches

Pressure Rating:

60.0 pounds per square inch and 125.0 pounds per square inch

Voltage In Volts And Current Type:

110.0 ac

Product Name:

Automatic dual tower heatless regenerative dehydrator

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A23900
