Desiccant Air-gas Drier - Page 1 of 1

View Online at https://aerobasegroup.com/nsn/4440-01-526-2589

Overall Length:
10.000 inches
Overall Height:
27.700 inches
Special Features:
Twin desiccant towers; inlet air pressure 60 to 150 psig; temp range 35deg to 110 deg; power con. 10 watts; standard model; flow 50;
timer controlled shuttle valves
Material:
Aluminum alloy or rubber synthetic
Shelf Life:
N/a
Unit Of Measure:

Demilitarization:
No
Fiig:
A23900
