Bodyheight:

133.4 millimeters

Bodylength:

228.6 millimeters

Bodywidth:

482.6 millimeters

Product Name:

Mr050b automatic desiccant dehydrator

Special Features:

Discrete alarm type; 10 minute factory set excess run alarm; 7.5% factory set high humidity alarm; factory set low pressure alarm; loss of power input alarm

Supplementary Features:

Part requires iuid marking (code (2a)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fig:

T247-b
