Design Type:

Nonreusable

Filtering Media Design:

Honeycomb single filtering media response

Special Features:

Coated w/viscous oil

Material:

Aluminum filtering medium

Media For Which Designed:

Air

Surface Treatment:

Chromate filtering medium

Style Designator:

Rectangular (incl square w/ air baffle)

Shelf Life:

N/a

Unit Of Measure:

--

Demilitarization:

No

Fiig:

A24000
